Intern

She couldn't believe the way she was Verb - Present ends in ING. Sure she was attracted to him, but this wasn't like her normal behavior at all. What if someone came into his office and found her sitting in his Part of Body? Before she could think enough to come to her senses, he pulled her closer and verb ending -ed her again. She couldn't resist those kisses. There was something about her boss that made her lose all rational thought.

She felt his Part of Body reach under her item of clothing. She didn't tell him to stop even though she knew she should. Her plural body part instinctually locked together. His hand stopped, and so did his kisses .

"Open your legs for me, female name," he commanded. She stared at him and hesitated. This wasn't how a Adjective responsible girl acted on her first college internship.

"same female name," he said again. The authority in his voice was so Adjective she couldn't help but obey. She spread her legs, although just a little bit. "Good girl," he cooed as his hand slid up her leg and between her thighs forcing them to open wider.

She verb ending -ed Adverb as his Part of Body slipped around her panties and rubbed her Adjective

slit ever so gently. When he began to stroke her harder, she started to squirm, but he plunged his thick finger deep inside her before she could pull away. It hurt a little at first, but then, the more he verb ending -ed it in and out of her, the more wet and Adjective she became. A moan escaped her Part of Body.

"Very good girl," he said. He verb ending -ed in and verb ending -ed her deeply again as his Adjective hand continued to work her over. Within minutes, her entire body started to tense. Her insides clenched with Verb - Present ends in ING arousal. He pulled his plural body part away from hers and stared right into her plural body part. Embarrassed, she tried to turn away.

"Look at me, same female name," he said. "I want to see you when you come." Unable to not do as she was told, she Adverb turned toward him, but when her eyes met his, the intensity of his gaze made it impossible for her to turn away.

"exclamation !" she cried out as her body lurched toward a climax. She verb ending -ed for his desk to steady herself, and her other hand clutched at his strong shoulder. "That's it, baby. Come for me," he told her and her entire body responded to his command. Her plural body part shook as she rode the waves of pleasure until her body fell limp, and she was dizzy. Her head dropped against his chest, and he held her in his plural body part.

"Mr. last name," she sighed out without thinking She couldn't believe what had happened, and she was confused and Adjective from her orgasm. She heard the low rumble of his laugh as she rested on his chest.

"After that, my sweet same female name, you can call me male first name."
