## yes sir

She assumed the position that he told her to practice. Kneeled on the floor with her legs spread, plural

body part on her thighs, back straight, chest out, and eyes down, she verb ending -ed for his command.

She felt frightened, worried, and Adjective. Would he use the sex toy? Would he tie her down?

Would she be able to obey?

"Are you ready for me, female name?" His deep Adjective voice broke the silence of the room.

She could feel the heat of his body as he stood behind her. Just hearing his voice and Verb - Present ends in

ING his presence made her body ache with need. She'd never felt more alive.

"Yes, sir," she answered.

From the moment he met her, he knew he could uncover her buried desires. She ruled the boardroom with her brilliance and drive, but the passion that burned so Adverb in the business world would burn even hotter

in his bedroom. His doorbell rang, and he could hear his housekeeper let her in and lead her into his

Adjective office. He waited a moment for her to settle in and to give her time to wonder why she had

been called to meet him on the weekend. She probably thought it was about the new account. He Verb -

Past Tense to himself knowing that she was in for a Adjective shock.

He

opened the Noun. She turned and saw him. He could see the surprise and excitement in her

plural body part as she stared at him. He was shirtless and wore his Adjective, ripped jeans. He

watched as her her eyes traveled from his face to his bare Part of Body and further down to the undone top

button of his pants. She probably had no idea that she just Verb - Past Tense her lips at the sight of him.

Just as he suspected she tried to hide the fact that she was turned on underneath the deviousness of outrage, but

to no avail. He let her Verb - Base Form her voice and stomp her feet, but as she spoke he kept silent and

Adverb inched closer to her. She'd stood up as if she would leave, but she never got around to

Verb - Present ends in ING toward the door. As he Verb - Past Tense closer, her words turned fewer until

finally he was within an measurment of her. She stood silent and looked up at him. Her color

eyes dilated and her lids were at half mast. He pulled her up against him so she could feel every inch of his body

and his desire, and then he kissed her Adjective. Her body Verb - Past Tense into his, and he felt her

surrender to him. He tore his mouth away from hers and looked down at her. She moaned with desire. Every part

of her verb ending -ed for more.

"Tonight, you're Verb - Present ends in ING orders instead of giving them," he told her sternly.

Her words came out in a breathy gasp, "Yes, sir."

She

bucked against the ropes. It was too intense. The way he mercilessly pumped in and out of her as he

verb ending -ed his thumb over her Part of Body. She needed to pull away and take a moment to breathe, but she was tied down. There was no way to escape this onslaught of pleasure.

"That's it. Take it, baby," he coaxed.

"I can't. I can't," she screamed.

"You will, and you can," he ordered as he pushed her right to the edge of a cliff that she never knew she could

Verb - Base Form. "Come for me," he demanded and she felt herself pushed over the cliff.

"Yes, sir!" she screamed as she tumbled into ecstasy.
