# Y iS U So RanDoM

Once I woke up I had to take a(n) Adjective dump so bad that you have no idea. When I sat on the I farted so hard that I Verb - Base Form into they sky and into outer space, and my butt made a sound that sounded like Onomatopoeia. I fell back to the ground just in time to eat my Noun. I then started to uncontrollably Verb - Base Form. it was so bad that then I Verb - Past Tense. It created so much kinetic energy that I fell asleep on my Previous Noun. I had a dream about the earth and then all the planets Verb - Present ends in ING simultaneously. So now tell me, why u so RANDOM
