# While on the band bus...

As I look around the band bus I see \_\_\_\_\_ Band member name in the front \_\_\_\_\_ Verb - Present ends in ING and can  
hear \_\_\_\_\_ Band member name in the back \_\_\_\_\_ Adverb talking about \_\_\_\_\_ Noun. My bus buddy,  
\_\_\_\_\_ Band member name has already fallen asleep listening to \_\_\_\_\_ Song name which happens to be my favorite  
song too! I turn and stare at the \_\_\_\_\_ Adjective view out the window. As I a slowly started to drift off to sleep  
I was startled by Hicks's \_\_\_\_\_ Adjective voice yelling " \_\_\_\_\_ Phrase." Now I must entertain myself with  
\_\_\_\_\_ Band bus activity for the next \_\_\_\_\_ amount of time till we get to our destination.
