# I was held hostage in a Hobo Hole!

I was looking around for a pet \_\_\_\_\_ Noun in \_\_\_\_\_ Place when a Hobo came and took me to a \_\_\_\_\_ Adjective pit, tied me up, and said \_\_\_\_\_ Talking! I had a \_\_\_\_\_ Food in my pocket and gave it to him. To my surprise, when he stuffed the \_\_\_\_\_ Same food in his mouth, he chewed it up and spat it on the ground. A \_\_\_\_\_ Animal came and ate it. The hobo had a \_\_\_\_\_ Large thing as hat covering his entire head, including his face. He wore a \_\_\_\_\_ Color \_\_\_\_\_ Animal tied around his neck as a scarf and he said, \_\_\_\_\_ Talking.
