doctors.

last friday i began to feel a bit Adjective so i decided to Verb - Base Form an appoitment with the profession s. Dr. Jordy wells is a very Adjective gentlemen whom i trust Adjective with all my personal Noun. I wanted to check with him because i had found a Adjective lumb on my body part and wanted to get it checked out. my main reason for going tho was to see if i was pregnant. i had gone out the night before to a event and got really Adjective. i ended up Verb - Present ends in ING kaya and i think i might be pregnant with his animal. i asked the doctor what he thought. he told me to spread my plural body part so he could have a look and then he took a swab and a liquid sample. it turns out i was Adjective and in number unit of time time i would become the Adjective mum of a Adjective baby animal.
