Crappy coverage or no?

Your sewer line has a _____ Noun _____ caused by tree roots. Sewage backs up into the master bathroom through the toilet and _____ Verb _____ onto the _____ Adjective _____ carpet. The vinyl floor in the bathroom and the _____ Noun _____ carpet need to be replaced. The vinyl floor requires replacement because it was _____ Adjective _____ damaged and would have required replacement even if this had been _____ Adjective _____ water. The carpet would have been _____ Verb _____ if there was not sewage present in the water, but because of the contamination by the _____ Verb _____, the carpet must be replaced. Is there coverage for the vinyl? For the carpet? For the repair of the sewer line that has to be accessed through the concrete driveway?
