## A Day in the Life Of Mrs. Eaton's Skills Class

It was just a day in Mrs. Eaton's skills class. We started by completing our independent reading
. All was well, then things started to get a bit First, there was a strange
noise. No one could figure out where it was coming from. At first, we thought it was someone at the
door. We heard it again, it created an ache in our teeth, like nails on a chalkboard. We checked the doors and no
one was there. So, we to look in the closet in the back of the room. All we could find in
there was just a bunch of books, a red broom, and a box of unused We
asked ourselves, "Where is that noise coming from?" After a brouhaha, Mrs. Eaton settled us back into our seats.
The noise disappeared for a while, but eventually it came back. At this point, everyone was out of their
, peeking in every corner, every nook and cranny, every of the classroom. We
eventually figured it out, but it was only by You would never have guess, the whole time, the
scratching noise was the pencil echoing off the back wall. At least we thought
