# MARKIPLIER: HERO OF THE UNIVERSE

One valentine's           Noun                     Noun          , I was           verb ending in ing          , when I looked in my           Noun           and saw a           Adjective                     Noun          ! It said, "Will you be my           Noun          ?" I was so           verb                     ending in ed          ! I           verb ending in ed           to see who it was from, but there was no           Noun                     Noun          . So, at           Noun          , I asked for           Noun - Plural          , but           First Name of a Person           didn't know about it.           Adverb          , someone told me that           First Name of a Person           gave me the           Noun          .
