A Day At School

First I was late to school in the morning. I missed the bell by seconds, but I still was marked tardy. I then had to stay inside for _____ Event where I saw a frog hopping around my desk. I bent down to _____ Verb up the _____ Animal and it said hello to me, in English. I then asked it to help me with my _____ Noun homework. The _____ animal told me his name was _____ First name and he said that he was good at _____ noun. He said all _____ animal were good at _____ noun. After recess was over, I tried to _____ Verb my teacher what happened, but that's when everything got a little more _____ Adjective. When my teacher spoke, she sounded like a _____ animal Everything was backwards! Then, just as the _____ Noun started to ring I _____ Verb up! It was all just a _____ Adjective _____ Noun Thank Goodness!
