A Day At School

First I was late to school in the morning. I missed the bell by seconds, but I still was marked tardy. I then had to

stay inside for _____Event_____ where I saw a frog hopping around my desk. I bent down to _____Verb_____ up the

_____Animal_____ and it said hello to me, in English. I then asked it to help me with my _____Noun_____ homework.

The _____animal_____ told me his name was _____First name_____ and he said that he was good at _____noun_____. He

said all _____animal_____ were good at _____noun_____. After recess was over, I tried to _____Verb_____ my teacher

what happened, but that's when everything got a little more _____Adjective_____. When my teacher spoke, she

sounded like a _____animal_____ Everything was backwords! Then, just as the _____Noun_____ started to ring I

_____Verb_____ up! It was all just a _____Adjective_____ _____Noun_____ Thank Goodness!
