Elf Libs

I'm the worst Job Title in the world. I'm a Object headed Silly Word muggins. The best way to spread Adjective cheer is Verb Ending in -ing loud for all to hear! I just like to Present Tense Verb; Same Verb with -ing is my favorite! We elves try to stick to the four main food groups: candy, candy Noun - Plural, candy Plural Food, and Liquid. Have you seen these Plural Thing? They're ginormous! This place reminds me of Santa's Room in a Building; except it smells like Food and everyone looks like they want to Present Tense Verb me. I'm sorry I ruined your lives, and shoved Number Plural Thing into your Electronic Appliance. We can make snow Plural Living Thing for Number hours. Then we'll go ice Verb Ending in -ing. And then we'll eat a whole roll of Tollhouse Food as fast as we can. And then to finish, we'll Present Tense Verb! Buddy the Living Thing, what's your favorite Thing? You sit on a/an Piece of Furniture of lies!
