FWOBBIN and FWOBBIN

Dear Proper Noun,

Hello from Place, famous for its Noun, which is totally Adjective! The local people

here are Adjective and quick to offer Noun. The landscape is Adjective. Yesterday, I

Verb - Past Tense quantity Noun - Plural, then rode the mode of transport to look at a

Noun. Only one word could describe it: Adjective! I plan to Verb - Base Form as soon as I

can.

Love,

Name
