# A Special Recipe For Hot Chocolate

There is nothing more comforting than a/an Adjective, frothy hot chocolate to warm up your Part of the Body Plural on the coldest Noun - Plural of winter. Here is a recipe that has been passed down for generation to generation in my Adjective family. Pour one cup of Type of Liquid, one Noun of half-and-half, one tablespoon of vanilla, and the two ounces of semisweet Noun into a/an Adjective pan. Place it on the stove and heat at Number degrees for Number minutes. Stir Adverb until the chocolate melts. Pour the liquid into two Adjective mugs and serve with a dollop of whipped Noun on top. If you add some atmosphere, your Noun will taste even better: Enjoy your drink in front of a/an Adjective fireplace or while watching the Noun -flakes fall outside your window.
