# Letter to my 16-Year-Old Self

It's been awhile since we've spoken. You're \_\_\_\_\_ Number and \_\_\_\_\_ Adjective, and don't have a care in the world about what anyone else thinks. You may think you can hide your real identity behind your \_\_\_\_\_ Adjective hair and your " \_\_\_\_\_ Noun " alias but that's only temporary. Spoiler alert - you're going to give it all up in the long run so don't get too emotionally invested. People won't take you \_\_\_\_\_ Adverb if you have a dollar sign in your name. It's okay to keep doing what you're doing and have fun, but don't do too much. Just because someone else is doing something doesn't mean you need to do it too. Be careful because one of your "shenanigans" will eventually come back to bite you.

I'm not going to lie. Junior year will be your \_\_\_\_\_ Adjective year of high school. It has the potential to be a \_\_\_\_\_ Adjective year, but it will go \_\_\_\_\_ Adjective fast. You thought freshman year was \_\_\_\_\_ Adverb, but you haven't seen anything yet. You're going to find yourself in some trouble, but it isn't the end of the world. Learn your lesson and move on. Also, your heart will get \_\_\_\_\_ Verb - Past Participle by something you never thought would \_\_\_\_\_ Verb you. Things that have been building up for years will finally push you over the edge and you'll hit rock bottom. Buy a lot of \_\_\_\_\_ Noun - Plural, because you're going to cry A LOT. More than you ever thought you could. It's not just that single tear \_\_\_\_\_ Adverb streaming down your \_\_\_\_\_ Part of \_\_\_\_\_ Body kind of crying either. It's the hysterical meltdown in the middle of class and anxiety attack in your \_\_\_\_\_ Noun at lunchtime kind of thing. It's going to be \_\_\_\_\_ Adjective and it's going to \_\_\_\_\_ Verb but don't make any rash decisions in this kind of state. Let things wash over you and let them go. It will all pass.

You'll

\_\_\_\_\_ Verb - Base Form back, and it will only make you \_\_\_\_\_ Number times stronger than before.

You're not alone and you have so many \_\_\_\_\_ Noun - Plural in your life who are willing to \_\_\_\_\_ Verb you sort everything out. Take advantage of that and \_\_\_\_\_ Verb up. People \_\_\_\_\_ Verb - Non 3rd Person Singular Present and care about you, even if you don't think they do. People will \_\_\_\_\_ Verb - Base Form you and treat you like \_\_\_\_\_ Noun, but everyone makes mistakes and they aren't doing it on purpose. You have to forgive and forget . I know that's hard for you, but otherwise you'll miss out on some \_\_\_\_\_ Adjective relationships. Let it go.

I know you think \_\_\_\_\_ Verb - Present ends in ING is your whole life right now, but don't put all your \_\_\_\_\_ Noun - Plural in one \_\_\_\_\_ Noun. It will still be a big part of your life and something you \_\_\_\_\_ Verb - Base Form doing, but things are going to change. As you get older, your \_\_\_\_\_ Noun will start going in a \_\_\_\_\_ Adjective direction and you'll realize that there is more to life. Keep your options \_\_\_\_\_ Adjective. I know you also think you're a good \_\_\_\_\_ Noun right now, but in a few years you'll \_\_\_\_\_ Verb - Base Form at things you're writing at the moment. No worries though because you'll get a lot better as time goes on. Keep \_\_\_\_\_ Verb - Base Form, and keep \_\_\_\_\_ Verb - Base Form too. You'll only get \_\_\_\_\_ Adjective with time.

Your senior year will be the \_\_\_\_\_ Adjective year of high school. I know you think it can't get any \_\_\_\_\_ Adjective than sophomore year, but it will be \_\_\_\_\_ Adjective for different reasons. Rise above the mess you were in eleventh grade and have the \_\_\_\_\_ Adjective last year of high school possible. You'll make \_\_\_\_\_ Adjective

friends and FINALLY get into \_\_\_\_\_ Adjective \_\_\_\_\_ Noun \_\_\_\_\_. Enjoy your last moments of high school and don't waste your time on \_\_\_\_\_ Adjective \_\_\_\_\_ Noun - Plural \_\_\_\_\_ and drama. Don't worry about having a prom date and \_\_\_\_\_ Verb - Base Form \_\_\_\_\_ your heart out. After you \_\_\_\_\_ Verb - Base Form \_\_\_\_\_ the stage and get your diploma, you'll never see any of those people again. Who cares what they think?

Keep trying your \_\_\_\_\_ Verb - Present ends in ING \_\_\_\_\_ in school because you will graduate in the top \_\_\_\_\_ Number \_\_\_\_\_ percent. You probably could've made the top \_\_\_\_\_ Number \_\_\_\_\_ if you would've tried harder and goofed around less, but you shouldn't \_\_\_\_\_ Verb - Base Form \_\_\_\_\_ anything that made you or others \_\_\_\_\_ Verb - Past Tense \_\_\_\_\_.

Graduation will be your \_\_\_\_\_ Adjective - Ends in EST \_\_\_\_\_ moment and the \_\_\_\_\_ Adjective \_\_\_\_\_ day of your life, so live it up.

I know you think you're never going to \_\_\_\_\_ Event \_\_\_\_\_ and that you're going to run off to \_\_\_\_\_ Location \_\_\_\_\_ and be a famous \_\_\_\_\_ occupation \_\_\_\_\_ after high school, but eventually you'll realize that isn't realistic or what you even want anymore. You'll get automatically accepted to \_\_\_\_\_ college \_\_\_\_\_ in the spring after taking off some time for yourself fall semester. People will \_\_\_\_\_ Verb - Past Tense \_\_\_\_\_ you for taking a break and try to make you feel bad about yourself, but don't \_\_\_\_\_ Verb - Base Form \_\_\_\_\_ to them because it was definitely the \_\_\_\_\_ Adjective \_\_\_\_\_ thing for you.

You're still very \_\_\_\_\_ Adjective \_\_\_\_\_, so enjoy that while it lasts. One day you'll have \_\_\_\_\_ Adjective \_\_\_\_\_ problems than

trying to decide what to \_\_\_\_\_ Verb - Base Form or what "bucket list" item you're going to do that day. You're going to \_\_\_\_\_ Verb - Base Form a lot about life and about yourself these next few years. Keep \_\_\_\_\_ Verb - \_\_\_\_\_ Present ends in ING to Ace of Base and wearing weird \_\_\_\_\_ clothing article, side ponytails, and 80s and 90s clothes. People will try to bring you down for being \_\_\_\_\_ Adjective, but let the haters \_\_\_\_\_ Verb - Base Form. Be \_\_\_\_\_ Adjective to yourself and you can't go wrong.

Keep your head up and STAY \_\_\_\_\_ Adjective !!
