# The Blank Not Taken

Two Noun - Plural diverged in a yellow Noun,

And Pronoun I could not travel both

And be one Noun, long I Verb - Past Tense

And looked down one as far as I could

To where it bent in the Noun;

Then took the other, as just as fair,

And having perhaps the better claim,

Because it was Adjective and wanted wear;

Though as for that the Verb - Present ends in ING there

Had worn them really about the same,

And both that Pronoun equally lay

In leaves no step had trodden color.

Oh, I kept the first for another day!

Yet knowing how way leads on to way,

I Verb - Past Tense if I should ever come back.

I

shall be \_\_\_\_\_ this with a sigh

Somewhere ages and ages hence:

Two \_\_\_\_\_ diverged in a wood, and I--

I took the one less \_\_\_\_\_ by,

And that has made all the difference.
