The hunt for bigfoot

My name is _____First female name_____, and this is the story of the time I went bigfoot hunting, or "_____Verb - Present ends in ING_____" as I like to call it.

The year was _____Year_____. I was with four friends named _____first male name_____, _____second male name_____, _____third male name_____, and _____second female name_____. We had traveled to the middle of a _____Adjective_____ and _____Adjective_____ forest in _____Location_____ to begin our hunt for the _____Adjective_____ creature known as bigfoot. We planed to _____Verb - Base Form_____ in this forest for about _____Number_____ days to look for the creature. The first day started off pretty _____Adjective_____. We didn't _____Verb - Base Form_____ any 'sqautches, but we did **Repeat Last** Verb - Base Form plenty of _____Adjective_____ _____Animal (plural)_____ and _____Animal (plural)_____, and even a few _____ _____Adjective_____ _____Noun - Plural_____. The next day, me and **Repeat Last** second male name went out to the _____Noun_____. There we met a _____Adjective_____ _____Adjective_____ forest _____one word occupation ending in ER_____ who told us where we might be able to _____Verb - Base Form_____ a 'squatch. He told us that one had just been _____ _____Verb - Present ends in ING_____ about a mile east from our camp. The best thing was, the **Repeat Last** Verb - Present ends in ING only occurred a little over _____Number_____ hours ago! Surely it had to still be near us!

I then told my friends **Repeat Last** first male name , **Repeat Last** second male name , and **Repeat Last** second female name to _____ come with me to the spot the bigfoot was last **Repeat Last** Verb - Present ends in ING , while **Repeat Last** third male name stayed behind to monitor our super _____Adjective_____ _____Adjective_____ night vision _____Adjective_____ cameras.

When we arrived at the scene of the last _____Verb - Present ends in ING_____, it was completly dark outside. We decided _____ _____ that we would split up. **Repeat Last** second female name and **Repeat Last** second male name went east, while me ad **Repeat Last** first male name

_____Verb - Past Tense_____ to a spot about _____Number_____ mile(s) west. We sat there for a few hours, with next to nothing happening. Then, as I was `fantasizing about spending the _____season_____ in _____Location_____ with **Repeat Last** first male name _____ and his _____Adjective_____ _____Adjective_____ _____plural body part_____, _____Adjective_____ smile, and _____Adjective_____ _____Part of Body_____, we heard something...We looked to our left, and saw a _____Adjective_____ _____Noun_____ that had been thrown at us, missing us by only _____Number_____ or _____Number_____ feet. We knew this had to be a 'squatch. What else could have thrown such a **Repeat Last** _____ Adjective_____ **Repeat Last** Noun . Whatever threw it had to have been _____Adjective_____, _____Adjective_____, and _____Adjective_____ as hell...sounds like a freakin' 'squatch to me...

After this, I suggested that we get out our night-vision _____Noun - Plural_____ and try to see if we can _____ _____Verb - Base Form_____ whatever threw the **Repeat Last** Noun . When we put on our night-vision **Repeat Last** _____ Noun - Plural_____, we saw the dang creature alright! It was _____Adjective_____! So **Repeat Last** Adjective infact, that it's _____Part of Body_____ had to have been the size of my freakin' _____Part of Body_____! It was _____Verb - Present ends in ING_____ at about _____Number_____ yards away on a _____Adjective_____ _____Noun_____, when it let out a(n) _____ _____Adjective_____ scream that scared the _____Noun - Plural_____ outta me and **Repeat Last** first male name ...I really _____ didn't know what to do at this point...Do I try to outrun **Repeat Last** first male name , and let the bigfoot just _____verb base form_____ him? That would surely buy me enough time to get away safely...But on the other hand...I _____ had a huuuuuuuuuuuuge crush on **Repeat Last** first male name if ya didn't notice, and I might feel a teeny bit _____ _____feeling like guilty or jealous ect_____ if I let the bigfoot **Repeat Last** verb base form 'im...but you know what they say..."If ya wanna survive an animal attack, ya don't have to _____Verb - Base Form_____ the animal, ya just gotta **Repeat Last** Verb - Base Form_____

you're friends"...

After about _____Number_____ minutes of _____Adjective_____, _____Adjective_____, and _____Adjective_____ thinking, I _____ finally decided that I was just going to _____Verb - Base Form_____ here with **Repeat Last** first male name , and hope that _____ the 'squatch wouldn't **Repeat Last** verb base form us... _____ _____

Just as I had made the decision to **Repeat Last** Verb - Base Form , my _____insulting adjective_____ friend **Repeat Last** second female name_____ was playing a recording of bigfoot sounds, maybe _____Number_____ or _____Number_____ yards _____ behind me and **Repeat Last** first male name ... _____

Little did **Repeat Last** second female name know, she was playing a sound that 'squatches use to _____Verb - Base Form_____ _____ whatever alpha male bigfoot lives in the area...and the only thing between **Repeat Last** second female name , and the _____ _____ freakin' bigfoot was me and **Repeat Last** first male name ...Soooooooo needless to say...me and **Repeat Last** first male name_____ got the hell outta there, trailed by the sounds of _____Verb - Present ends in ING_____ _____Noun - Plural_____ and _____Adjective_____ _____Noun - Plural_____...The 'squatch was _____Adverb_____ catching up with us. We knew we couldn't outrun the dang thing, so we hid in a _____Adjective_____ cave just off the _____Noun_____ we were on. _____ Thankfully, the 'squatch _____Verb - Past Tense_____ us and headed on towards **Repeat Last** second female name and **Repeat Last** second male name_____. **Repeat Last** second female name and **Repeat Last** second male name then got out of there, and into the _____ _____transportation_____, which they had _____Verb - Past Tense_____ out here. That meant that me and **Repeat Last** first male name_____ were now alone with a(n) _____Adjective_____ _____Adjective_____ bigfoot...not the ideal _____Noun_____ to say the least...to make matters worse, my _____Noun_____ started ringing, giving away mine and **Repeat Last** first male name_____ 's location...The 'squatch _____Adverb_____ _____Verb - Past Tense_____ upon us, while **Repeat Last** first male name_____,

_____ Verb - Past Tense _____ my **Repeat Last** Noun , and _____ Verb - Past Tense _____ it out of the cave. The bigfoot then _____ picked up my **Repeat Last** Noun and _____ Verb - Past Tense _____ it. He then _____ Verb - Past Tense _____ away with the **Repeat Last** Noun _____, _____ Adverb _____ and _____ Adverb _____ _____ Verb - Present ends in ING _____ every inch of it...I never got _____ my **Repeat Last** Noun back...Hopefully the 'squatch won't find the numerous pictures of **Repeat Last** first male name _____ in my **Repeat Last** Noun ...that would be _____ Adjective _____...especially if **Repeat Last** first male name found out about those...Annnnnnnnnnnnnnnnnnnnnnnnnnnnywaaaaaaaaaaaaaaaayyyyyyyyyyyyyyyyy.....

Me and **Repeat Last** first male name took opportunity to get the hell outta there as fast as humanly possible, while the 'squatch was distracted. After we returned to camp, we were greeted by **Repeat Last** second male name , **Repeat Last** _____ second female name _____, and **Repeat Last** third male name . Each one of us had a camera mounted on our _____ article of clothing-plural _____ that would take a picture every _____ Number _____ minutes or so. The pictures would then be sent to **Repeat Last** third male name _____ s _____ Noun _____, where we could examine and enhance them. We asked **Repeat Last** third male name _____ to show us the pictures we got, as we were sure there would be some _____ Adjective _____ ones on there, but were completely _____ verb ending in ED _____ when we saw nothing but pictures of our _____ plural body part _____ ...

Apparently, we mounted the cameras wrong, and as a result, didn't get any evidence of our _____ Adjective _____ encounter with bigfoot...
