19.	Verb Ending In Ing

So what? I'm a cougar

Are you an older single, who finds men your age asnooze fest? Take it from
me that younger guys can do wonders for your life. After divorcing my
ex after decades of marriage, I thought I'd be alone forever, that is until I found a dating website
called Love that matches women like me with who like older ladies. I
figured why not, I have nothing to lose and everything will One thing's for sure, these men are
eager to you, all they want is to make you feel, they don't around
baggage or have Noun-Plural to worry about. This one guy loved to roll Verb, we pretended I
was a teacher and he was the student, naughty, I even verb ending in ED up one of my
daughter's old college with his ribbed lean and full and full Part of Body
of hair. We've been each other in secret, double naughty.
