marek and lesley

they were both in bed together side buy side when out of nowhere there was something under the bed . it was a
Noun so as a result marek got Verb - Past Participle and jumped out the apartament window. Lesle
decided to do the same and out the window but her leg got caught in the window. marek
was on the floor not moving whilst Lesley was verb - Present Tense naked. the
Noun Noun was Verb - Past Participle so both of them got Verb - Past Participle and
they asked them what happened marek said that there was something under his bed. Lesley came in and said to
marek that it was actually a under the bed.marek was pretty but he said its
THE END
