Advice for a New Bride

Congratulations! You are getting married! We are sure that ring looks Adjective on you, but we have a little advice. First, make sure that you enjoy your Noun. Stay organized and use Noun - Plural to keep on task so that nothing gets too Adjective. Take joy in the Adjective things - like cake testing, choosing your Noun, and celebrating with your bridesmaids. Also, book your venue and your favorite major vendors right away so that you don't lose out on your Noun. Photographers (especially great ones) and Noun book fast so get your Number choice right away! Make a Adjective timeline to help you with future decisions. Enjoy your time, live it up, and love your Wedding Role. You are planning the best day ever! We want to be part of that with you!
