# Amusement parks

An amusement park is always fun to visit on a hot summer           Noun          . When you get there, you can wear your           Article of clothing           and go for a swim. And there are lots of           Adjective           things to eat. You can start off with a           Adjective           dog or a           Noun           with mustard, relish and           Noun - Plural           on it.

Then you can have a buttered ear of           Noun           with a nice           Adjective           slice of           Type of food           and a big bottle of cold           Liquid          . When you are full, it's time to go on the roller coaster, which should settle your           Part of Body          . Other amusement park rides are the bumper cars, which have little           Noun - Plural           that you drive and run into other           Noun - Plural          , and the merry-go-round, where you can sit on a big           Noun - Plural           and try to grab the gold           Noun           as you ride past it.
