Demons

My Part of Body Noun - Plural

Each demon I have telling a story

Though most of them are gory

None is more so than ours

The largest Proper Noun holds the key

To the reasons all the others be

No one but the two of us knows

Noun the true story goes

And so I locked the Part of Body with my Adjective

Attempting to hide the true tale

Then locked myself behind these Location

In the end to no First Name of a Person.
