My Last Will and Testament

Dear sirs and/or madams,

If you are reading this than it means that I, Your Name have Past tense euphemism for death. I have forfeit my Body Part to Famous Person Hospital and all that remains to the University of Location for educational use in Activity. I bequeath my Size collection of Noun - Plural to my dear Type of Relative, Full Name of a Person. My Noun - Plural goes to Full Name of a Person, my Type of Relative.

In this statement, I must also confess that I have spent no less than Number years Verb - Present ends in ING Noun - Plural. The Emotion it gave me was the only peace I knew since my dear First Name of a Person left me. You will find a Noun hidden beneath the Piece of Furniture.

Please do not think Adverb of me, and whatever you do, do not Verb - Base Form that Noun. You will feel Emotion like you never have before, and you will struggle to Verb - Base Form yourself back to normal.

My best wishes for my family, except for my Type of Relative, First Name of a Person. Insult.
