Draco and I held our Adjective Color hands with Color nail polish as we went upstairs.

I was wearing Color Satanist sings on my nails in Color nail polish (AN: c doez dat sound lik a

Maru Sue 2 u?). I waved to Vampire. Adjective misery was in his Adjective eyes. I guess he was

jealous of me that I was going out with Draco. Anyway, I went upstairs excitedly with Draco. We went into his

room and locked the door. Then.....

We started frenching Adverb and we took off each others clothes Adverb. He felt me up before

I took of my Clothes. Then I took off my Color Adjective Clothes and he took

off his Clothes. We went on the bed and started making out Adjective and then he put his boy's

Noun in mine and we HAD SEXX. (c is dat stupid?)

"Oh Draco, Draco!" I screamed while getting an orgasm when all of a sudden I saw a tattoo I had never seen before on Draco's arm. It was a Color heart with an Noun through it. On it in bloody Adjective Adjective were the words..... Vampire!

I was so Adjective.

"You Noun!" I shouted angrily, jumping out of the bed.

"No! No! But you don't understand!" Draco Verb - Past Tense. But I knew too much.

"No, you f*cking Noun!" I shouted. "You probably have AIDS anyway!"

I put on my clothes all Adverb and then stomped out. Draco ran out even though he was Adjective. He had a really big Noun but I was too mad to care. I stomped out and did so until I was in Vampire's classroom where he was having a lesson with Professor Snape and some other people.

"VAMPIRE POTTER, YOU MOTHERF*CKER!" I Verb - Past Tense.
