My Friends Hate Me

If you have one thing to say who hates you, then it's your Noun - Plural. They follow me all the time Noun and saying mean things to me. Even if I'm using my Proper Noun ONE, they still say mean things to me. I blocked the meanest friend, Proper Noun from my Proper Noun ONE and he is not my friend in real life anymore. Once then my friend, Proper Noun said mean things to me like I suck at Proper Noun, or my prestige on Noun: Proper Noun Proper Noun Number is horrible. So I blocked her like Noun. Now I have one friend left on my XBOX ONE, Proper Noun. Now he's no longer there on my Noun - Plural Noun. He sends messages that say like you are Adjective or get into my room with Noun to Verb. Now those Noun - Plural are gone. Good thing! So now I have no Noun - Plural.
