Tic Tac Toe #1-Melina Risi

Once upon a time, there was a Noun of milk in the Noun isle of Giant. He was Pronoun that he would Adverb have any Adjective , when he would be bought, so the Noun didn't want to be bought. So, One night, the Noun of milk Verb - Past Tense into his Adjective partner in crime's aisle in the store (aisle 4, where the yogurt containers are), and he told him that he wanted to leave Giant, and move to BJ's, or Costco to live in. His friend said that he had to verb in the Noun , and he had to please his friend. While the Noun was walking up the Noun , to get to the stage, it seemed like all of his fat-free milk was being Verb - Past Tense by the Noun , but really, he had stepped on a Adjective needle, and all of the milk had left him. Luckily for Fred, Costco invited Fred to their circular disposal trash can. Ever since, Fred lived happily ever after.
