Awards for all

(Noun) Thank you, Thank you I am Adverb honored to be here accepting this award for my Noun. Let me tell you a Adjective story, about four Noun - Plural ago I was talking to my mum and my Noun and they were talking to me about succeeding in Noun and getting Noun - Plural. Now as most of my friends and family know I Verb - Non 3rd Person Singular Present a very Adjective person, I was Verb - Present Tense in bed thinking about this and I realized: If I make a Noun in which I am the only Noun their is no way that I could lose. It started out very small with a Noun for best Noun butter and jelly Noun but Timothy from down the block was apparently a prodigy in that ball park so I had to find something else. One of my Adjective - Comparative ideas was to start a competition for The Best Proper Noun Potato Airplane but that was deemed "A waste of Noun" by the judges and I Verb - Past Tense again but that gave me an idea and after Noun - Plural of Noun here I am the winner of Best improve Noun about the historical and social influence of the Noun!
