# Trip to the Museum

During the holidays I went to visit the Museum of Creative \_\_\_\_\_ Proper Noun - Plural. The gallery was \_\_\_\_\_ Adjective and filled with many paintings of \_\_\_\_\_ Noun - Plural and \_\_\_\_\_ Noun - Plural. My favourite artwork was \_\_\_\_\_ Measurement big, painted with \_\_\_\_\_ Measurement. It was a picture of a mountain with lots of trees. Another painting I liked was a portrait of a woman, she had a two heads and a beak, with duck legs. Among the gallery, there were also many installations and sculptures, I liked the sculpture shaped like a cookie and was made out of pebbles. The Museum was fun, there was lots to see and do.
