Annoying Little Sister

Aggggh! My little sister is so rude and and, you don't even no the half of it. Sometimes, she
makes me soi couldi. One time my sister used the and she through
my tooth brush in the My breath smelt like it for a month . I went online and looked up YouTube
videos on how to She regretted ever messing with me again. She got me one time with the fall in
the joke. i didn't like it for a bit. I did the again and she didn't know what
her. Finally, she stopped trying to mess with me except for today. Oh, today was the
day in the world. She did the most humiliating in the in the right
when i got on the bus she told me to go in front of her before we got on. when we both got in front of the
Noun . She verb me! Everyone saw. I was about to verb when I got in my
I sucked it up and remembered, I have to be the person.
