Story 1: Vacationing for dummies

Ah, vacation. What a(n) thing. You could go visit a city, or see the world's biggest
, or around a national park!
Now of course, there are some setbacks to this. First of all, how will you get there? Do you really want to spend
Number dollars to sit next to a crying child on a plane, while trying to read your Book genre
anime? I thought not! As an alternative, you can use a moving, and stuff all of your vacation
necessities in it. This will enable you to rest at gas stations and read your anime in peace. (
finally!)
Next, is the problem of where you want to go. A good idea is to use a map of and put your
finger in a random spot. Wherever your finger lands is where you should go!
These tips are sure to help you go on the vacation of your life!
