The Willoughbys

Once upon a [_____ Noun _____] there was a family named Willoughby. They had [_____ Number _____] children. The eldest was named [_____ First Name of a Person _____].

The middle [_____ Noun _____] were twins, [_____ person in the room _____] in the room]A. and [_____ person in the room _____] in the room]B. The youngest was [_____ First Name of a Person _____].

The eldest was quite [_____ Adjective _____], so when they found a [_____ Noun _____] on their doorstep he did not shout [_____ exclamation _____]

like his siblings. Both the [_____ Noun - Plural _____] noun] and their [_____ Noun - Plural _____] noun] planned to get rid of each other. But just like in all [_____ Noun _____] stories, there was a [_____ Adjective _____] ending.
