Letter to My Ex-Girlfriend

Dear Lovely First name

I am sorry for our break up in Year and I want you back. These are the things I miss:

(1. Your beautiful Noun

(2. Your lovely Noun

But you know what, I would be more than Feeling not to get back together so then I could do the

following with out worrying:

(1. Go on Number dates a week

(2.Read magazines with pictures of First name of celebrity Last name of same celebrity

(3.Get back on eharmony.com and look for Feeling singles in Place

(4.Watch Gender (boy or girl) at bars

So maybe us going our seprate ways is a Good or bad thing.

Love,

First name.
