A Man Called Ove

Meet Ove. He's a Noun, the kind of man who points at people he dislikes as if they were Noun - Plural caught outside his bedroom window. He has staunch principles, strict Noun - Plural, and a short fuse. People call him "the Adjective neighbor from hell." But must Ove be bitter just because he doesn't walk around with a Noun plastered to his face all the time?

Behind the Existential there exterior there is a story and a sadness. So when one Proper Noun morning a chatty young couple with two Adjective young daughters move in next door and accidentally flatten Ove's Noun, it is the lead-in to a Adjective and heartwarming tale of unkempt cats, unexpected Noun, and the ancient art of backing up a U-Haul. All of which will change one Adjective old man and a local residents' association to their very foundations.
