Dear Grandpa,

Dear Grandpa, we can hardly believe you are turning Number! You don't seem a day over Number! We love when you come to Verb - Base Form us and when you take us to Adjective places like the Place or the light show. You always are Adjective to see us and we love how you come and Verb - Base Form with us! You and First Name of a Person are always happy to help us! We love the way you cook Part of Body and Animal (plural) and how you give us the Noun - Plural you grow. We love your Part of Body and your pretty Color Part of Body! We also love how you read us books about the Magic School Noun - Plural and all the other fun Noun - Plural that you have at your Place!

We love you lots!

Kitty and Lily.
