Gripping her Part of the Body - Plural to stop her from going any farther, he ran his Part of the Body - Plural along the smooth skin of her Part of the Body - Plural, delighting in the panties that barely hid anything from his Noun. Her pleased gasp encouraged him to continue.

Spreading her Part of the Body - Plural, he moved his Part of the Body - Plural along the seam of those Adjective panties, touching her moist folds and reveling in the slow purr she gave in response.

So wet.

So willing.
