## Susie turns 90?

Susie was born to John & Elisa Angiolillo - on May 1st, 1927 in Syracuse, NY. She was the youngest girl with 8 siblings... the boys....Joe, Nick, Rocco, Tom, John & Carmen. The girls, Mary & Henrietta. Susie was

\_\_\_\_\_ on the North Side in a very Catholic home. The \_\_\_\_\_ had a plot of farmland where they would drive to every day to milk cows and pick vegetables. She remembers chasing chickens around to \_\_\_\_\_ them for dinner. When Susie was little.. her older sisters used to give her 5 cents to "go away" when they had dates... apparently, she was "annoying"... She attended North High School and used to help at her \_\_\_\_\_ shop "Park Beauty Shop" sweeping \_\_\_\_\_ and graduated to \_\_\_\_\_ at Cook Dry Cleaners. When she was in her early adulthood, she met a "hottie" named Nicky at a dance... she was taken away with his good looks! He even had a girlfriend and she still had him in her sights. Well, he went back to the service and they corresponded so he wrote a Dear \_\_\_\_\_ letter to his old flame. They were now official... Susie & Nicky... lived above her parents when they got \_\_\_\_\_ the next year. Had a little girl and \_\_\_\_\_, then another boy, then another boy! Well, then they decided to move on up to the further North part of town and buy a house in the little hamlet of Mattydale. Proceeded to have 6 MORE GIRLS ....and then call it quits... In that time, Susie \_\_\_\_\_ over diapers and dinner, day in, day out for just about 40 years while her love Nicky brought home the bacon so they could live a good life. \_\_\_\_\_ trips were never the whole gang, the \_\_\_\_\_ weren't big enough.

So half the family went and either Susie or Joanne stayed home with the little ones, etc. Susie's house was always an open door, someone always had a friend for dinner or even a place to stay when a \_\_\_\_\_ was in

need. Susie's kids left for significant others one at a time..till she only had her baby "Angela" home.. Well, then that came to an end too when she married and left home. Now Nicky & Susie were empty nesters, for the first time in about 50 years...they had their kitties and their \_\_\_\_\_ Adjective and their kids, ever attentive. Nicky liked to shop.... Susie liked to be involved in her church, and visit her \_\_\_\_\_ Noun - Plural in other states. Until one day, it all changed when Nicky left for the greener pastures of God's arms. Now, she had to learn to live alone but has done so every day for the past 15 years. And she's done it so well... loving life, living life. Being generous to a fault, with her family, with her friends, with her church, with her favorite charities. Susie now shares the house her and Nicky bought to raise their family with her kitty "Nikki". Susie has lived a \_\_\_\_\_ Adjective life and is always grateful to God for the blessings he's bestowed her. God has blessed her and her kids with a 90th birthday. And may he bless you with many more Susie!
