# My First Date

Tonight was my first date with \_\_\_\_\_! I was so \_\_\_\_\_. He picked me up at \_\_\_\_\_ o'clock in his \_\_\_\_\_ and we drove to the theatre to see the movie \_\_\_\_\_.

He bought popcorn, gummy \_\_\_\_\_, and \_\_\_\_\_. We chose seats in row \_\_\_\_\_ because it's the best place to make out. Just as the movie was \_\_\_\_\_, this lady and her \_\_\_\_\_ kids came in and started being really \_\_\_\_\_. I yelled "\_\_\_\_\_!" but they didn't listen to me. Once the lights went out, I hoped he would \_\_\_\_\_ me, but instead he started texting his \_\_\_\_\_ on his cell phone. I tried to get his attention by caressing his \_\_\_\_\_ with my \_\_\_\_\_, but he pushed me away. It was the \_\_\_\_\_ first date ever.
