# Non-Stop (Hamilton)

After the \_\_\_\_\_, I went back to New York

A-After the \_\_\_\_\_, I went back to New York.

I finished up my studies and I \_\_\_\_\_.

I \_\_\_\_\_, Burr worked next door.

Even though we started at the very same time, Alexander Hamilton began to \_\_\_\_\_.

How to account for his rise to the top?

Maaaaan, the man is non-stop!

Gentleman of the \_\_\_\_\_, I'm curious, bear with me,

Are you aware that we're making history?

This is the first \_\_\_\_\_ trial of our brand new nation,

The liberty behind deliberation.

I intend to prove beyond the shadow of a doubt

With

my assistant counsel--

Co-counsel

Hamilton, sit down.

Our client Levi Weeks is Adjective,

Call your first witness in.

That's all you had to say.

Okay,

One more thing-

Why do you assume you're the Adjective Ends in EST in the room?

Why do you assume you're the Repeat Last Adjective Ends in EST in the room?

Why do you assume you're the Repeat Last Adjective Ends in EST in the room?

Soon that Noun may be your doom.

Why do you write like you're Verb Present ends in ING out of time?

Write day and night like you're Repeat Last Verb Present ends in ING out of time?

Everyday you fight like you're Repeat Last Verb Present ends in ING out of time

Keep on fighting in the meantime

Non-stop!

Corruption's such an old \_\_\_\_\_ Noun that we can sing along in harmony

And no where is it stronger than in Albany

This colony's economy's increasingly \_\_\_\_\_ Verb Present ends in ING,

And honestly that's why public service seems to be calling me

Non-stop!

I practiced the law,

I practically \_\_\_\_\_ Verb Past Tense it.

I've seen injustice in the world

And I've \_\_\_\_\_ Verb Past Tense it.

Now for a \_\_\_\_\_ central democracy,

If not then I'll be Socrates

Throwing verbal rocks at these mediocrities

Hamilton at the \_\_\_\_\_ Adjective Convention!

I

was chosen for the Repeat Last Adjective Convention!

There as a New York junior delegate!

Now what I'm gonna say may sound indelicate...

Goes and Verb Present ends in S his own form of Noun.

What?

His own plan for a new form of Repeat Last Noun.

What?

Talks for Number hours, the convention is listless!

Adjective young man.

Yo, who the Letter is this?

Why do you always Verb Base Form what you believe?

Why do you always Repeat Last Verb Base Form what you believe?

Every proclamation guarantees

Free Noun for your enemies.

Why do you write like it's going out of style?

Write day and night like it's going out of style?

Everyday you fight like it's going out of style

Do what you do

Alexander?

Aaron Burr, sir.

Why it's the middle of the night.

Can we confer, sir?

Is this a Adjective matter?

Yes,

and it's important to me.

What do you need?

Burr, you're a better Noun than me.

Okay?

I know I Verb Base Form too much, I'm Adjective

You're Adjective in court:

You're succinct, persuasive.

My client needs a strong defense,

You're the solution.

Who's your client?

The new U.S. Constitution?

No.

Hear me out!

No way!

A series of \_\_\_\_\_ Noun Plural anonymously published,

Defending the \_\_\_\_\_ to the \_\_\_\_\_ Noun Plural.

No one will \_\_\_\_\_ Verb Base Form it.

I disagree.

And if it \_\_\_\_\_ Verb Present ends in S?

Burr, that's why we need it!

The constitution's a mess!

So it needs amendments?

It's

full of contradictions!

So is independence!

We have to start somewhere!

No. No way.

You're making a mistake.

Goodnight.

Hey!

What are you Verb Present ends in ING for?

What do you stall for?

What?

We won the war, what was it all for?

Do you Verb Base Form this constitution?

Of course!

Then defend it!

And what if you're backing the wrong horse?

Burr, we \_\_\_\_\_ Verb Past Tense and we fought and we killed

For the notion of a nation we now get to build.

For once in your life, take a stand with pride.

I don't understand how you \_\_\_\_\_ Verb Base Form to the side.

I'll keep all my plans close to my \_\_\_\_\_ Part of Body.

I'll stay here and see which way the \_\_\_\_\_ Noun will blow.

I'm taking my time, watching the afterbirth of a nation,

Watching the tension grow.

I am \_\_\_\_\_ Verb Present ends in ING off to London

I am accompanied by someone who always pays.

I have found a \_\_\_\_\_ Adjective husband

Who

will keep me in comfort for all my days

He is not a lot of \_\_\_\_\_, but there's no one

Who can match you, for turn of phrase

My Alexander

Angelica-

Don't forget to \_\_\_\_\_.

Look at where we are, look at where we started

The fact that you're \_\_\_\_\_ is a miracle

Just stay \_\_\_\_\_, that would be enough.

And if your wife could share a fraction of your time.

If I could grant you peace of mind,

Would that be enough?

Alexander joins forces with James Madison and John Jay to write a series of essays defending the new United

States Constitution, entitled The \_\_\_\_\_ Papers. The plan was to write a total of twenty-five

\_\_\_\_\_, the work divided evenly among the three men. In the end, they wrote eighty-five

\_\_\_\_\_,

in the span of six months.

John Jay got sick after writing Number.

James Madison wrote Number - Larger than previous.

Hamilton wrote the other Number - Larger than previous!

How do you write like you're Verb Present ends in ING out of time?

Write day and night like you're Repeat Last Verb Present ends in ING out of time?

Everyday you fight like you're Repeat Last Verb Present ends in ING out of time

Like you're Repeat Last Verb Present ends in ING out of time

Are you Repeat Last Verb Present ends in ING out of time?

How do you write like tomorrow won't arrive?

How do you write like you need it to survive?

How do you write every second you're Adjective, every second you're Repeat Last Adjective?

They are asking me to lead

I'm doing the best I can to get the people that I need

I'm asking you to be my right Part of Body man

Treasury or state?

I know it's a lot to ask

Treasury or state?

To leave behind the world you know

Sir, do you want me to run the treasury or the state department?

Treasury

Let's go

Alexander...

I have to leave.

Alexander.

Look around, look around at how lucky we are to be alive right now

Helpless...

They are \_\_\_\_\_ Verb Present ends in ING me to lead

Look around. Isn't this enough?

What would be enough to be satisfied, satisfied, satisfied?

Why do you assume you're the \_\_\_\_\_ Adjective Ends in EST in the room? Why do you assume you're the  
\_\_\_\_\_ Repeat Last Adjective Ends in EST in the room? Why do you assume you're the smartest in the room?

Soon that attitude's gonna be your doom!

Why do you fight like you're running out of time?

Why do you fight like

History has its eyes on you...

I am not throwing away my shot!

I am not throwing away my shot!

I am Alexander Hamilton!

Just you wait!

I am not throwing away my shot!
