Have sex with Henry (Fire Emblem)

I met my soulmate Henry and we had sex. We started with <u>sex act</u> sex and then moved on to <u>sex act</u> sex. He released <u>liquid</u> into my pussy and I moaned "<u>moan</u>!". I then proceeded to <u>girl on top sex act</u> him and I jumped up and down feeling his <u>slang for penis</u> in my pussy. He then released <u>liquid</u> into my <u>slang for vagina</u>. I lit a <u>cigar type</u> and smoked it. We then did the same thing for the next <u>number</u> years.
