Pretty Little Liars

Me, first friend, second friend, third friend and fourth friend were all in the Location and we were all Verb Present ends in ING and having loads of fun. Then, fourth friend gave us all a a drink so we drank it. I woke up number hours later to see that first friend and fourth friend weren't there. I woke the others up, and then first friend stormed through the door of the barn, looking Verb Past Tense and Verb Past Tense.

"I've looked everywhere for her." She said, "I think I heard a sound."

number YEAR LATER

I stood in front of the mirror looking at my appearance, my hair was Adjective and Adjective and I was wearing a Adjective clothing and Adjective clothing. My mom walked passed and told me that being back in location brings back lots of memories, and that if i need to talk she'll be there for me. My brother, male name, rushed down the stairs holding his sport kit and telling me to hurry up so I could drop him at practise. I said goodbye to my parents and drove same male name to practise, and told him I'd be back at time. I had loads of time, so I headed down to the location where you can get a drink and sat at the bar and ordered a a drink. number seats away from me was a guy with Adjective hair and Adjective eyes. We Verb Past Tense for ages about Noun Plural and Noun Plural. And he told me his name was Noun Plural and he'd just graduated from random word, the local college.
