Zombie The Cranberries

Another Part of Body hangs lowly

First Name of a Person is slowly taken

And the Adjective, caused such silence

Who are we Adjective?

But you see, Adjective not me

It's not my Noun

In your Part of Body, in your Part of Body, they are fighting

With their tanks, and their Adjective

And their bombs, and their Adjective

In your head, in your First Name of a Person they are crying

In your head, in your head

Zombie, zombie, Noun

What's in your head, in your head

Noun, Noun, Noun, oh

Du, du, du, du

Du,

du, du, du

Du, du, du, du

Du, du, du, du

Another Noun breaking

Heart is taking over

When the violence causes silence

We must be mistaken

It's the same old theme

Since Number

In your head, in your Noun, they're still fighting

With their tanks, and their bombs

And their bombs, and their guns

In your Noun, in your Part of Body, they are dying

In your head, in your head

Noun, Noun, Noun

What's in your Part of Body, in your Part of Body

Noun Noun
