# A trip to the sewers with Jeremy

Your friend Jeremy was a bit odd. He \_\_\_\_\_ Verb Past Tense the sewers. No, he \_\_\_\_\_ Verb Past Tense the sewers.

He loved the \_\_\_\_\_ Noun, the \_\_\_\_\_ Noun of the water, the wildlife, everything! When you asked him what his favourite colour was, he'd say " \_\_\_\_\_ colour " because it's the colour of feces.

Anyway, it was a freezing cold \_\_\_\_\_ possessive season day when Jeremy invited you for a sewer tour. He insisted that it was warmer down there than it was up here, but you didn't really believe him. Reluctantly, you packed your sewer-ready items ( \_\_\_\_\_ Noun Plural, \_\_\_\_\_ Noun Plural, \_\_\_\_\_ Noun Plural and \_\_\_\_\_ Noun Plural) and headed down the manhole with Jeremy. The instant your \_\_\_\_\_ Part of Body went under the surface, the smell hit you like a \_\_\_\_\_ Animal \_\_\_\_\_ Verb Present ends in ING on a \_\_\_\_\_ Noun. The ladder felt \_\_\_\_\_ Adjective and the rust was digging into your \_\_\_\_\_ Part of Body. By the time you got to the bottom, your \_\_\_\_\_ Part of \_\_\_\_\_ Body were bleeding and you could taste \_\_\_\_\_ Noun Plural in your mouth. Jeremy handed you a \_\_\_\_\_ Noun as a remedy for your wounds and wrapped what looked like a \_\_\_\_\_ Noun around his \_\_\_\_\_ Part of Body. He took you by the \_\_\_\_\_ Part of Body as if you were only 2 and led you onwards. All the while, you were thinking about the smell and how \_\_\_\_\_ Adjective it was. The " \_\_\_\_\_ Noun Plural " of sewage were \_\_\_\_\_ Adjective and there were \_\_\_\_\_ Animal (plural) \_\_\_\_\_ Verb Present ends in ING the sides of the walls. It made you feel \_\_\_\_\_ Adjective. Not only that, but the lighting in there was \_\_\_\_\_ Adjective - there was about 1 light fixture every \_\_\_\_\_ Number \_\_\_\_\_ unit of measurement eg metres cm yards and the lights were about \_\_\_\_\_ Number \_\_\_\_\_ unit of measurement eg metres cm yards high.

After you and Jeremy had been walking for what seemed like \_\_\_\_\_ Number hours, you finally came to a stop in front of a large vault-like creation. "This was that \_\_\_\_\_ Adjective vault I was talking about earlier." said Jeremy. He walked up to a \_\_\_\_\_ Adjective lever and gave it a good yank. \_\_\_\_\_ onomatopoeia went the cogs as the mechanisms \_\_\_\_\_ past tense onomatopoeia into action. Unfortunately for you, the vault only opened about 5 cm and then by that time it was time for \_\_\_\_\_ Noun time. What a \_\_\_\_\_ Adjective journey.
