# The Nursing home

Here at the nursing home we have lots of fun. On really Adjective days we Verb Base Form  
Location and put out Part of Body in the pool. We like to eat Noun and Noun  
Plural. We get mad sometimes if someone Verb Present ends in S at bingo too much. It seems to always be  
First Name of a Person. We like to go to Verb Base Form. We take a bus and we all Verb Base  
Form together. The nurses here are very Adjective. They take Adjective care of us. We do  
have some Adjective resident's like First Name of a Person and First Name of a Person. They make  
the place more exciting. We have a lot of fun especially at night when all the Noun leaves.
