# A Trip to the Moon

Harper and Gage decided to go to the           Noun          . They had heard so much about it from their friends at           Noun          . They packed their           Noun Plural          , asked           Adverb                     Adjective           Lori to make them           Noun Plural          , and were on their way. Jackson and Peyton decided to stay           Noun           to watch           Noun           and make some goo.

Harper and Gage took the brand new           Noun           that Jon had           Verb Past Tense           over the           Noun          . It was           Adjective          ,           Adjective          , and powered by duck eggs. When they got to the           Noun          , it was           Adjective           and creepy. There were puddles of mush and           Adjective                     Noun Plural           all over the place! One of the           Noun Plural           landed on Gage's nose and Harper tried to scare it away. They started walking and came across a very large swimming pool. What in the world was a swimming pool doing on the           Noun          ?! They decided to take a quick           Verb Base Form          , and then           Verb Base Form           a           Noun          . They           Verb Base Form           it would be a good idea to           Verb Base Form           some           Noun                     Noun Plural           to bring back to Peyton and Jackson. They gathered about 10 each, and then went on to do some more           Verb Present ends in ING          .

On their way back to the           Noun          , Harper decided to practice his           Noun                     Noun Plural          . The           Noun Plural           nearby decided to           Verb Base Form           in, while Gage took           Noun Plural           and showed them his soccer moves. The aliens were so excited that they gave the boys lots of           Noun           rock candy and pop

rocks to share with their friends.

They went back to Gage's house and told Dave and Lisa all about what happened. Dave was so happy that he decided to give them \_\_\_\_\_ item \_\_\_\_\_ amount each to go and \_\_\_\_\_ Verb Base Form all of the \_\_\_\_\_ Noun \_\_\_\_\_ Noun Plural that they wanted. It was a \_\_\_\_\_ Noun come true!
