Sometimes they make me Adjective

Sometimes they make me Adjective

I've never, ever, met a class so Adjective

For real - they're all so Adjective

They Verb Base Form and Verb Base Form and Verb Base Form

The thought of them just makes me want to Verb Base Form

I guess they aren't ALL Adjective

My favourite would be Proper Noun

But all the rest are Adjective Noun Plural

They really don't deserve me

A man as Adjective as me

Maybe I should just go to teach 7C
