Schools out!!!

Tears verb Present ends in S down my cheeks the moment noun remember my last day at school. If
was a moment of parting. That day was my last chapter of the most glorious book of my life a
a student.
I spent 10 years as a in my school. It was an unforgettable golden period for me. It passed away
like a dream.
All of us were as we were going to get rid of the strict life of school. We were
Adjective & unhappy because we were going to part from our friends and lovable teachers. We were
given holidays to study and prepare for our coming board examinations were focusing over
revising the papers. They said that it is easier to impress the examiner with few written words
than filling pages full of errors. They advised us to not to get but face the exams with courage
Our also arranged sessions to discuss our difficulties with the teachers.
The other students had organized a farewell party for us on our departure. We all were in a sad mood as it was a
day to say good bye. Weverb Past Tense in our assembly hall. We were welcomed with flowers. Our
juniors served us tea & chocolates.

Noun Plural	prepared lots of activities to make that day special for us. They sung songs, danced,
prayed and prepared	I speech to show their gratitude towards us.
Those words of wis	dom and prayers are still verb Past Tense in my ears.
After the program v	vas over we took pictures with our teachers and Principal. My throat was totally
Adjective to	utter a single word to thank and bid good bye to all those who made my
school life meaning	ful.
I can never ever for	get that last day at school.
