# The Krabby Patty Secret Formula

The Krabby Patty, the most \_\_\_\_\_ Adjective \_\_\_\_\_ meal in the sea! Now we all love this treat, but how do you make these \_\_\_\_\_ Adjective \_\_\_\_\_ sandwiches? Well, as a new employee of The Krusty Krab, you must learn the secret formula. The formula of the one and only, Krabby Patty!

WARNING: IF YOU HAPPEN TO BE SOMEONE NAMED SHELDON PLANKTON, WE ARE PREPARED TO SEND YOU FAR AWAY FROM THE KRUSTY KRAB ALL THE WAY TO " \_\_\_\_\_ Place \_\_\_\_\_!" Thank you for your time...

To start off, you must take a frozen patty out from the \_\_\_\_\_ Place \_\_\_\_\_. These Krabby Patties are made from imitation \_\_\_\_\_ Sea Animal \_\_\_\_\_ meat, so no need to worry if you only \_\_\_\_\_ Verb Past Tense \_\_\_\_\_ vegetables

Carefully slice each piece in to perfect \_\_\_\_\_ Shapes \_\_\_\_\_. If you fail to do so, you may have to have a \_\_\_\_\_ Adjective \_\_\_\_\_ talk with your boss, Mr. Krabs or even have him send you to "The Hooks." Next, you must place each sliced patty on the \_\_\_\_\_ Noun \_\_\_\_\_ without burning it. Just imagine the customers taking a big bite in your burnt patty and losing their appetite from that awful taste of \_\_\_\_\_ Taste \_\_\_\_\_. So make sure to focus and carefully cook each patty with love. Once the patties turn light \_\_\_\_\_ Color \_\_\_\_\_ or \_\_\_\_\_ Color \_\_\_\_\_ (depending on the customer's choice), it's time to flip them with your spatula. Once the patties are done, it's time to cut the cheese or well... cut the toppings. Add some sea cheese and bright \_\_\_\_\_ Noun \_\_\_\_\_ tomatoes on the patty. Sprinkle some mustard and ketchup to give it that \_\_\_\_\_ Adjective \_\_\_\_\_ taste. Lettuce and onions must be included, unless a customer is allergic to them or even allergic to \_\_\_\_\_ Food \_\_\_\_\_. This is where it gets juicy! Adding the sea pickles ! Always make sure not to forget the pickles. No one wants to lose that feeling of when you make that tiny squeaking

sound you get when you rub two pickles together. Add a dash of salt and pepper and lastly cover it with a

\_\_\_\_\_ Adjective seaweed bun. Order up and you have yourself a Krabby Patty!
