The spark.

The _____ was _____, it was over 300 years old. There was a _____ that had come upon the _____. It was a _____ with _____ fur and a _____ tail. It stared at the _____ with a _____ expression, almost not knowing what to do. It started walking across the _____. The _____ was long and the _____ only made it half way before being stopped by something. It looked like a combination between a _____ and a _____. The creature had a hood on but inside that hood there was no face. The creature took his hand and pressed it to the _____ head. The _____ eyes lit up and the creature was gone. The _____ started walking again but he soon realized with every step he took there was a spark. The spark of each step continued for the rest of the _____ life.
