## **Today**

| Today I went to the There was about 20 people there and 10 I I                           |
|--|
| Form to a bench and sat down. It was very outside. A little boy about year               |
| old up to me and said " Hi, I lost my mom. Can you help me find ?" "                     |
| Sure", I said. I got up from the bench and verb Base Form around with the little boy. We |
| later on found Proper Noun mom and Proper Noun left. I decided to get some food          |
| because it wasoutside. The cup made my fingers feel I then                               |
| went   |
