## **School stuff**

I went to today. At the end of the day I had realized I had an F in a and I freak
out. I literally started to do my work in averb Base Form attempt to bring my grade up. I had to write a
story and my brain decided to write the story that just happened to me. I started typing
the Noun Verb Base Form what had just happened. How the world seemed to slow down, what
was at stake here, and how my parents would react when they found out if they found out. This was what
happened, "I went to school today. At the end of the day I had realized I had an F in a class and I freaked out.
